Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SMT. SMRITI ZUBIN IRANI)

(a) The improvement of performance and educational standards of Government schools is a continuous process undertaken both at the level of Central as well as State Governments/UT administrations. In this regard, the Ministry of Human Resource Development is implementing the centrally sponsored schemes of Sarva Shiksha Abhiyan (SSA) and Rashtriya Madhyamik Shiksha Abhiyan (RMSA) for improving the performance and educational standards of government schools in all States and UTs including Uttar Pradesh. The overall goals of SSA include universal access and retention at the elementary level bridging of gender and social category gaps in education and enhancement of learning levels of children. The objective of RMSA is to enhance access and to improve quality of education at secondary stage by making all secondary schools conform to prescribed norms through provision of enabling infrastructure, availability and training of teachers, school leadership programme, ICT interventions etc.
(b) & (c) Opening of Kendriya Vidyalaya(KV) depends on the feasibility of proposals received from the sponsoring agencies and is subject to availability of resources and sanction of competent authority. One Kendriya Vidyalaya is already functioning in Hathras. There is no proposal at present to open new KVS in Jalaun and Banda.
